

Aloha Mai Kākou

On behalf of the County of Hawaii, Kohanaiki Shores and the greater Kohanaiki Community 'Ohana, we welcome all of you, to Ka Hale Wa'a o Kohanaiki, Our House at Wāwahiwa'a Point within the 'Ahupua'a of Kohanaiki.

We are very excited to be able to host visitors and share the 'Ike (experience) that Kohanaiki has to offer, in connection to the 'aina (land) the loko wai (wai o pae ponds), the lā'au (plants), and the area where once nā kānaka o ke kai (sea dwellers) lived.

Our main **MISSION** is to provide a space for Educational Learning and to perpetuate the Hawaiian Culture. All are welcome, especially groups from the Kohanaiki 'Ahupua'a and greater surrounding community.

To accomplish such a mission, cooperation and communication is vital.

Therefore, in addition to filing and obtaining the proper use applications and liability forms, we encourage you to refer to the Curriculum List below and choose a topic that supports the purpose of your visit. The topics all makes direct connections with our special surroundings and were chosen to support educational groups.

Because we often work with volunteer educators, it is very important that planning and scheduling be done well in advance of visits. This advance planning allows us ample time to notify volunteer instructors; they can then commit their time and create a schedule and curriculum that would best support our Haūmana.

<b><u>CURRICULUM TOPIC</u></b>	<b><u>INSTRUCTOR</u></b>	<b><u>TIME</u></b>
History & Culture	Reggie Lee	1-2 Hours
